LORD WE NEED A TOUCH

```
C                         G                      Am-Am7
Lord we need a touch from You
F                                  C            Dm7-G
Lord we need our hearts re-newed                                                    Am
    F                          C          E
So we came here to-night, hoping You'd break thru
F                        G                    C       F-G
Lord we need a touch from You

D                         A              Bm-Bm7
Lord we need a touch from You
G                              D          Em     A
Lord we need our hearts re-newed
      G                        D        F#                                          Bm
*So we came here to-night, hoping You'd break thru
G                        A                    D
Lord we need a touch from You  *
